

Door type	U-value [W/m ² K] reference size 1,23 x 2,18 m
60 mm hinged door insulated with PIR, incl. threshold and D-frame	0,96
75 mm hinged door insulated with PIR, incl. threshold and D-frame	0,93
75 mm hinged door insulated with firebatts, incl. threshold and D-frame	1,24
75 mm hinged door insulated with firebatts/plaster, incl. threshold and D-frame	1,33
75 mm EI ₂ 60 hinged firedoor, incl. threshold and D-frame	1,18

The stated value is the total U-value of the door (be aware that the gap between the doorframe and the wall is not part of the U-value of the door).
